**T**HE Mission of ACES Youth Home is to provide temporary and long-term residential placement and care for youths, both boys and girls, ages 12-18. We provide a safe, secure, and nurturing home for youths who have been victims or abuse or neglect. We help children discover their strengths and learn to cope with the crises in their lives. We strive to recognize the value and dignity of everyone we serve.

- Ages 12-18; boys and girls
- Focus on sibling groups
- Can house 8 children at a time
- We provide both temporary and long-term placements
- Services we provide academic supports, opportu-

nity for recreational and community involvement (i.e. Angels on Horseback), and providing Independent Living services to the children to learn the skills necessary to become a successful independent youth.

- Built by the community, employees are from within our community, and we would like to try and house children from within our community and from the Region 1 Area but can accept youth from anywhere in Georgia.
- We want ACES to be more prevalent and active within the community, as we depend on both state and community monetary support to run the facility. We receive approximately 70% of our funding from the state, the rest of the funds are donated by the community.

*We meet each Wednesday at noon at the Chattahoochee Technical College Appalachian Campus  
100 Campus Dr. Jasper, GA 30143 • 770-547-9784 • [jaspergarotary@gmail.com](mailto:jaspergarotary@gmail.com)*
