PICKENS COUNTY
CHAMBER OF COMMERCE
& VISITOR CENTER

AMY is the Executive Vice President of the Pickens County Chamber of Commerce and is passionate about helping Pickens County grow in ways that feel meaningful, welcoming, and true to who we are. Her professional background includes leadership roles in tourism, finance, procurement, operations, and project management, and she's grateful to bring that experience into work that supports local businesses, strengthens the community, and creates memorable experiences for visitors.

Amy cares deeply about thoughtful tourism and smart economic growth, but at the heart of it all, she simply loves helping people connect with this community and all the things that make it special. One project especially close to her heart is the Snowman Stroll, which captures so much of what she loves most and her belief that the best community ideas create joy, connection, and lasting memories
