CREATE LASTING IMPACT

Mishthi Mehta

Georgia Rotary Student Program Scholar from India (2026-2027)

MISHTHI is a sophomore at Reinhardt University pursuing a degree in Cybersecurity and Information Technology. Originally from Delhi, India, Mishthi came to the United States with a passion for technology, leadership, service, and cultural exchange. She has distinguished herself academically, maintaining a 4.0 GPA and earning a place on the President's List.

Mishthi is an active and enthusiastic member of the Reinhardt community. She serves as an International Student Representative and International Student Ambassador for India, helping prospective and newly admitted international students adjust to university life and encouraging cultural exchange. She is also involved with Student Government, the Student Activities Fee Committee, and the Cyber Eagles cybersecurity club, where she will serve as president for the 2026–27 academic year. Her campus involvement has also included working with Reinhardt Central and the university's IT team, gaining experience in technical support, cybersecurity practices, and campus operations.

Beyond academics and service, Mishthi is an energetic and creative young woman with a wide range of interests. She enjoys dancing, photography, baking, video editing, basketball, swimming, hiking, and exploring technology. She has participated in Model United Nations, Olympiads, cultural programs, and numerous school and community events, while taking on leadership roles in both academic and extracurricular settings.

Mishthi describes herself as someone who loves meeting people, listening to their stories, and learning about different cultures. She sees the Georgia Rotary Student Program as an opportunity to experience Georgia not simply as a student, but through genuine relationships with her host family, Rotarians, and fellow scholars. She believes that leadership begins with listening, and hopes to carry that perspective into her future work in cybersecurity and beyond.

With her academic excellence, curiosity, leadership, service-minded spirit, and genuine appreciation for cultural exchange, Mishthi represents the qualities of an outstanding GRSP Scholar and a wonderful ambassador for both India and Reinhardt University.
