Heather Pence

PRESIDENT CHATTAHOOCHEE TECHNICAL COLLEGE

HEATHER brings more than 20 years of experience within TCSG, most recently serving as Interim President and Executive Vice President for Operations at Chattahoochee Tech. In her previous leadership roles, she supported the college's financial, human resources, technology, and administrative divisions, helping drive growth and operational excellence across the institution.

"Heather is a proven leader who understands the vital role Chattahoochee Tech plays in creating opportunity for students and supporting Georgia's workforce," said TCSG Commissioner Greg Dozier. "Her dedication to technical education and her deep connection to the

college and its mission make her the ideal choice to lead Chattahoochee Tech into its next chapter."

Pence began her career in state government at the Georgia Department of Audits and Accounts, where she audited multiple technical colleges and saw firsthand the transformative impact of technical education. That experience led her to join Appalachian Technical College—now Chattahoochee Tech—where she has built her career and legacy.

Pence holds a Master of Business Administration from Reinhardt University and a Bachelor of Science in Accounting from the University of North Georgia.

*We meet each Wednesday at noon at the Chattahoochee Technical College Appalachian Campus
