CREATE LASTING IMPACT

JANICE DAVIS
DISTRICT FOUNDATION CHAIR

Janice joined Lanier Forsyth Rotary in 2010 and has served in numerous leadership roles, including Club President, District Grants Coordinator, and Assistant Governor. Since July 2024, she has served as District 6910 Rotary Foundation Chair.

With an extensive business background, including executive positions with AT&T and Lucent Technologies, Janice has also owned several businesses and devoted countless hours to community service. Her volunteer work with CASA included advocating for 45 children in Fulton and Forsyth counties.

WHAT IS THE ROTARY FOUNDATION?

The Rotary Foundation is the charitable arm of Rotary International. It transforms contributions from Rotarians and supporters into grants that fund projects making a lasting difference around the world. Its work supports clean water, education, disease prevention, maternal and child health, economic development, peace-building, and the global effort to eradicate polio. It also helps local Rotary clubs fund projects that strengthen their own communities.

As District Rotary Foundation Chair, Janice plays an important role in helping Rotarians understand, support, and utilize the Foundation to make a difference.

A proud mother and grandmother, Janice is also active in her church, Christ the King Lutheran Church, where she serves as an assisting minister.

We look forward to hearing from Janice and learning more about how The Rotary Foundation makes "Service Above Self" possible!
