Ken Birke

Senior Project Manager

Pickens County Airport Update

KEN has over 30 years of experience in construction, managing projects from K-12 schools and airports to office buildings and government-secured facilities. He believes transparency and open communication are essential to every project's success, helping teams stay aligned and clients confident. As a Senior Project Manager, Ken oversees planning, design, bidding, and execution, ensuring projects stay on time and within budget.

Originally from Georgia, Ken is a proud Georgia Southern University graduate—though his family's hearts belong to LSU, a fact that sometimes earns him a playful boo or two. Married for 27 years, he and his wife have one child.

Outside of work, Ken enjoys a wide mix of activities from watching sports and fishing to antiquing, attending festivals, and smoking meats on the weekends. The family frequently visits Florida to spend time with friends, relax on the beaches, and enjoy Disney. Giving back is also a family value; they make regular contributions to St. Jude Children's Research Hospital, the ASPCA, Tunnels to Towers, and the Wounded Warrior Project.

Ken will oversee the new Pickens County Airport Terminal project in Jasper, Georgia, and looks forward to helping deliver a facility that will not only meet the airport's current and future needs but also serve as a source of pride and opportunity for the local community.

*We meet each Wednesday at noon at the Chattahoochee Technical College Appalachian Campus
100 Campus Dr. Jasper, GA 30143 • 770-547-9784 • jaspergarotary@gmail.com*
